CATAPULT CONSULTING CORPORATION

Chartered Professional Accountants

About Catapult

Catapult is a licensed public practice accounting firm focused on providing CFO, Accounting, and Tax services to high growth public and private enterprises. Catapult has extensive experience helping clients with preparing financial statements, budgets and forecasts, corporate acquisitions and dispositions, capital raising, Canadian corporate tax reporting, assisting with business valuation, and providing general business consulting services.

Job Opportunity

We are looking for a motivated accountant to handle a wide range of accounting and consulting responsibilities. The successful candidate will be involved in several highly entrepreneurial and high growth clients in the tech, manufacturing, finance, services, distribution and mining sectors.

Job responsibilities include:

- Full cycle accounting (bank reconciliations, invoice entry, produce sales invoices, credit card entries, payroll processing, general journal entries) for clients
- Support all monthly and quarterly reporting including the preparation of board reports and public company filings

The successful candidate will have the following attributes:

- Highly motivated and willing to work on a diverse set of tasks
- Looking for growth and learning experience in general business consulting and financial reporting
- Experienced with bookkeeping and accounting work (Sage50, Quickbooks, and Quickbooks Online)
- Ability to manage multiple monthly deadlines
- Must be detail oriented and organized
- Ready to bring their career to the next level

We are looking for someone who we can mentor and grow along with the firm.

To apply please submit your resume and cover letter to jason@catapultgroup.ca
